

Roth 401(k)

The potential for tax-free earnings

Roth 401(k) contributions offer a different potential tax benefit than pre-tax contributions.

That's because they offer the potential for federal income tax-free earnings. Here's the difference:

Roth 401(k) contributions:
pay taxes now

- Made on an after-tax basis
- No immediate tax benefit
- Any earnings are generally federal income tax-free as long as you take a "qualified distribution."¹

Pre-tax contributions:
pay taxes later

- Made on a pre-tax basis
- Reduce your current taxable income
- Any earnings are tax-deferred, but withdrawals are fully taxable as ordinary income.²

You can choose pre-tax contributions, Roth 401(k) contributions, or a combination of both. Each contribution type could have a different impact on your finances.

Pre-tax or Roth 401(k) contributions?

¹ A "qualified distribution" is one that is taken at least five years after the first day of the year of your initial Roth 401(k) contribution, or Roth conversion, if earlier, and after you have reached age 59½ or become disabled or deceased. If you take a non-qualified withdrawal from your Roth 401(k) account, any investment earnings on the Roth 401(k) contributions are subject to regular income taxes, and you may be subject to a 10% additional federal tax if you withdraw such earnings before age 59½, unless an exception applies. State income tax laws vary; consult a tax professional to determine how your state treats Roth 401(k) distributions.

² Taxes are due upon withdrawal. You may also be subject to a 10% additional federal tax if you take a withdrawal prior to age 59½, unless an exception applies.

Merrill, its affiliates, and financial advisors do not provide legal, tax, or accounting advice. You should consult your legal and/or tax advisors before making any financial decisions.

Investing through the Plan involves risk, including the possible loss of the principal value invested.

Merrill provides products and services to various employers, their employees and other individuals. In connection with providing these products and services, and at the request of the employer, Merrill makes available websites on the internet, mobile device applications, and written brochures in order to provide you with information regarding your plan. Under no circumstances should these websites, applications, and brochures, or any information included in these websites, applications, and brochures, be considered an offer to sell or a solicitation to buy any securities, products, or services from Merrill or any other person or entity.

Merrill Lynch, Pierce, Fenner & Smith Incorporated (also referred to as "MLPF&S" or "Merrill") makes available certain investment products sponsored, managed, distributed or provided by companies that are affiliates of Bank of America Corporation ("BofA Corp."). MLPF&S is a registered broker-dealer, registered investment adviser, member SIPC, and a wholly owned subsidiary of BofA Corp.
