

Welcome to Talkspace

What is Talkspace?

Talkspace is an online therapy platform that makes it easy and convenient for you to connect with a licensed behavioral therapist — from anywhere, at any time. With Talkspace, you can send unlimited text, video and audio messages to your dedicated therapist via web browser or the Talkspace mobile app. You can also schedule real-time 30-minute televideo sessions. No commutes, appointments or scheduling hassles.

To get started messaging a therapist:

- Log in to your member website and go to Services > Talkspace online therapy and select “Sign up for Talkspace”.
- Tell us your unique needs and preferences for therapy.
- You’ll be shown three potential providers based on your preferences.
- Choose a therapist and begin messaging the very same day.
- Remember: There’s no limit to the number of messages you can send your therapist each day.

Chat therapy

- Use your free sessions: One week of chat therapy counts as one visit.
- You will continue to work with the same therapist unless you request to change providers.
- Your therapist will reply to you daily, during his or her business hours — up to five days a week.
- Whether on the go or at home, you can access Talkspace securely via your web browser or mobile app.

Live sessions

Meet with your therapist online for a 30-minute televideo, phone or chat live session. Each session counts as one visit.

Taking care of your mental health can help you live a happier, healthier and more productive life — both on and off the job.
