Requirements to Become a North American On-Site Service Supplier

Effective August 1st, 2025

To be considered eligible to work on-site at a Chemours facility, you must meet the following minimum criteria:

- Experience Modification Rate (EMR) of 1.00 or less for the current policy year.
- Three-year averaged Total Recordable Incident Rate (TRIR) below 3.0.
- Three-year averaged Days Away, Restricted or Transfers (DART) rate below 1.8.
- Proof that your company performs Substance Abuse testing.
- Proof that your company performs Criminal Background Checks.
- Insurance as stipulated below:
 - Workers' Compensation - Statutory; Employer's Liability - \$2,000,000 per accident/per employee; and such other insurance as may be required by Statutory law. This policy shall include a waiver of subrogation to Chemours.
 - Commercial General Liability (Occurrence Form), including Contractual Liability and liability for Products and Completed Operations, in a combined limit for Bodily Injury and Property Damage - \$5,000,000 per occurrence. This policy shall name Chemours as additional insured on a primary, non-contributory basis.
 - Business Automobile Liability, in a combined single limit for Bodily Injury and Property Damage - \$2,000,000 per occurrence. This policy shall name Chemours as additional insured on a primary, non-contributory basis.
 - Other insurance appropriate for Supplier's business or as required by law.
- Acceptance of Chemours terms & conditions.
