Here's how the Student Loan Repayment Program works:

- **Chemours contributes \$100 each month** for 3 years directed toward the principal balance of your loan.
- **You'll continue making your regular monthly payments** — Chemours' contribution just means you'll pay off the full loan faster.
- **Get started by updating your education in Workday.** Eligible employees will receive a notification to enroll from SoFi.
- **Enroll by the 10th of any given month** to receive a contribution the following month.
